POLICY

AFTT recognises that planning for the management of a critical incident is essential to enable the Academy and its stakeholders to meet the duty of care owed to its students.

AFTT is committed to providing a prompt and appropriate response to critical incidents. AFTT's senior management is responsible for determining actions to be taken in the event of a critical incident and any follow up required.

All students at AFTT have the right to feel safe and to be safe. Stakeholders have a responsibility to report and respond to critical incidents involving the students with whom they have contact. The Academy is committed to take all reasonable steps to provide a safe environment on campus and advise overseas students and stakeholders on actions they can take to enhance their safety and wellbeing.

AFTT recognises that appropriate infrastructure must be in place to ensure that all necessary support services are provided in the event of and as a consequence of a critical incident. The support should extend beyond the time of the specific event to address any post events support needs.

AFTT will provide information to overseas students and stakeholders about how to seek assistance for and report an incident that significantly impacts on students' wellbeing, including critical incidents.

AFTT stakeholders will be made aware of the Critical Incident policy and procedures and be given appropriate induction, to understand the procedures to use in managing a critical incident.

As a follow-up action, AFTT will develop a Critical Incident Action Evaluation Plan to review the management and response of the critical incident to address the underlying causes and various aspects arising from the incident including:

- Evaluating and reviewing the plan;
- Creating and disseminating a revised plan and its procedures for future incidents;
- Updating and publishing relevant policy and procedures; and
- Organising appropriate stakeholders development and training.

RESPONSIBILITIES

- The Campus Manager or a nominee shall be the first point of contact when a critical incident occurs.
- Where an international student is involved, the Campus Manager or nominee should contact the Director of International Services, or nominee, immediately.
- The Campus Manager (and the Director of International Services where an international student is involved) will rate the incident according to the risk assessment plan. Depending on the risk assessment, a Critical Incident Response Team (CIRT) may be convened.
- Any costs incurred from arrangements made following a critical incident, including an accident or the illness or death of a student will be met by the student and/or the student's family.
- The student and/or the student's family must give their consent, in writing if circumstances permit, prior to any arrangements being made that involve payment for a service.

CRITICAL INCIDENT RESPONSE TEAM (CIRT)

The CIRT is chaired by the Campus Manager and membership can include:

- Heads of Department,
- Administration Coordinator,
- Director of International Services,
- Marketing and Brand Manager, and
- Nominated trained stakeholders member/or agency/or counsellor.

The role of the CIRT is to effectively manage critical incidents with clear actions and procedures that are humane, sensitive, and responsive to the needs of students, stakeholders and the broader AFTT community. Intervention procedures may reduce the intense reactions of students and stakeholders to an incident and assist them in returning to their normal studies and/or duties.

The CIRT shall follow the procedures set out in the Critical Incidents Procedure.

COMPLAINTS and APPEALS

Students may access the Student Complaints and Appeals Policy and its associated procedures to appeal against any decisions made under this policy.
