

STUDENT ATTENDANCE POLICY AND PROCEDURE

SCOPE

This policy applies to all enrolled students, international and domestic, as a condition of their continued enrolment at AFTT. Within this document attendance processes, practices and the responsible officers are outlined.

However, the process of attendance monitoring does not apply to ESOS NC 8 (National Code of Practice for Providers of Education and Training to Overseas Students 2018) in that no international student will be reported to DoHA (Department of Home Affairs) on the basis of recording attendance to meet course progression requirements.

DEFINITIONS

For definitions please refer to AFTT's Glossary.

POLICY

This policy sets out the requirements for achieving satisfactory attendance, the way in which attendance is monitored, how attendance requirements are communicated to students and the consequences when students do not maintain satisfactory attendance.

PROCEDURE

Attendance

A student's attendance for all classes and activities, both on and off-site, is recorded, monitored and managed according to *Policy #02.06 Assessment Management*. Student attendance records are maintained by Reception using class rolls which are taken at the start of every class/ activity. Students are also required to sign in and out at Reception when they arrive and leave each day, for workplace health and safety purposes in case of an emergency.

For successful Tier progression and course completion, students must maintain an 80% attendance rate and achieve a satisfactory result for every assessment task listed in the *Tier Assessment Plan*. For more information, refer to *Section 5.8 Code of Conduct of Student Hand Book* and *Policy #02.15 Academic Progression*.

Attendance Records Procedure

- The Academic Team will collect, mark and return their class rolls daily;
- Any delays in arrival must be accompanied by a phone call to the school, or email through to Admin;
- The Academic Team member will close the door promptly at class start time and mark the roll as they verbally note the students who are present (P).
After ten (10) minutes, the Academic Team member will again open the door and allow in any late comers (without negotiation) but record them on the roll as being late (L).
Two (2) 'lates' will be counted as one absence (2L = 1A)
- If students arrive more than ten (10) minutes after the allocated class start time, they will be marked as 'absent' (A), but will be allowed to join the class at lunch break at the Academic Team members discretion (without negotiation) if it is not too disruptive to the work.
The Academic Team have the discretion to refuse late entry to classes.
- The Academic Team will keep a copy of their own rolls and notify the administration team or Course Director if a student misses two (2) consecutive classes or demonstrates a pattern of absences, to ensure any learning issues that may be arising can be addressed early.
- Students seeking to attend an audition or medical appointment during a class will not receive approval (no negotiation) and will be marked absent.
It is noted that students have one (1) scheduled day off per week for personal matters.

Explained absence

Students unable to attend class because of illness are to contact Reception before classes begin or as soon as practical. *Immediately* upon return to the Academy, the student must provide a Doctor's Certificate to Reception detailing the nature of their illness. In such circumstances, it will be noted on the students' attendance record that a medical certificate has been provided.

Note:

- Unless notification is made, and the appropriate medical certificates submitted, an unexplained absence will be recorded for each class the student is absent.

- Illness which involves extended absence may also mean that a student's place in the course is reviewed. However, such circumstances are treated on a case by case basis.

Leave of absence

Students may apply for leave of absence only in exceptional circumstances. The application must be made on the appropriate form, available from the Course Director or Reception, and must be made as far ahead of the time requested as possible. Approval is not automatic, but is determined on a case by case basis. Generally, extended leave of absence will not be granted because of the negative impact on the student's studies.

ATTENDANCE ALERT NOTIFICATION

Dear X,

RE: Attendance Alert Email

All AFTT students must maintain a minimum 85% attendance rate in order to satisfactorily progress within the tier/s to ultimately gain course completion.

Please be advised that your attendance is currently at **XX%** - you are at risk of falling into the 85% attendance range. We want to avoid this happening.

If you wish to discuss any concerns you are having which may be affecting your attendance at the Academy, please let your Course Director know immediately.

If a student's attendance falls to 85%, an attendance alert notification is issued, and a meeting is held with the Head of Student Services to discuss strategies to help to complete the required classes/ project work and any support AFTT can provide to ensure successful progression of studies.

If attendance falls below 85%, the student will be emailed a Second (2nd) Attendance Notification and required to meet with the Course Director to discuss an intervention strategy.

If a Third (3rd) Attendance Notice is issued to a student during that same Tier, then the student must meet with the Campus Manager to negotiate Tier completion.

Further information on course progress is outlined in the Student Hand Book and Policy #02.15 Academic Progression available on the AFTT website at <http://www.aftt.edu.au/admissions/domestic-students/policies-and-procedures>

Thanks XX.
